

This four year guide is a recommended semester-by-semester plan of study for this major. All four year guides are meant as examples of how a degree can be completed in four years. Individual plans will be developed for each student in consultation with the academic advisor. Prior credit, course availability, and student needs must be considered in developing the individual plan.

Shaded areas of the guide require special attention.

Course Subject and Title	Credit Hours	Min. Grade	Major GPA	Important Notes
Consult your DegreeWorks for details about each requirement.
